Come in and have a go!

Mind Sports World is a Not-for-Profit Company which has been set up to cultivate knowledge of and participation in all forms of Mind Sports, which we define as any competitive endeavour where the primary challenge is intellectual.

We organise regular Social Mind Sports evenings, and are beginning to run a number of special events, from Training Days to International Competitions, in Whitley Bay and more broadly in North Tyneside.

### **8.30 – 11pm Wednesday - Folk Jam**

An opportunity to sing, play, recite or just listen. Pretty much anything goes, as long as it's acoustic!
